VOICE OF THE PRESS.

"THE VERY HERS HOOK ON SLAVERY VET ISSUED, sound, judicious, kind, Christian, and most timely and faithful. The author reheares in a graphic way the measures of violence which "Southers no August was reasonable and while condemning the crary zeal of John Brown, he shows that his heroic self-denial for the oppressed puts to shame the roward farry of the South for oppression. Yet the teme of the book, white candid, frank and manly, is always kind and geatlemanly; nor snortonal. BUT PRATERNAL, not partisan but Chrissian. He points the South to the simple remedy for existing evils by substituting wages for the lash, free labor for coerced toil. The book should have a wide circulation."—| From Editorial in New-York Independent.

"Its ammated descriptions, and the frankness and cordiality of its tone are adapted to give it a favorable reception, even with readers who differ most widely from him in opinion.

The topics to which this volume is devoted, and the spirit in which they are discussed, though they may arone a tempest of opposition from those who regard silence as the only guaranty of safety, will secure it a wing circulation. AGAINST WIND AND TIDE,
BY HOLME LEE,
Author of "Kathie Brande," "Sylvan Holt's Daughter," etc.
One large I'mo. vol., 440 pages, cloth. Price \$1.
From The London Literary Guzette, Dec. 17, 1859.
"The new publishing season has commenced anaptelously; and the novel now before us is, by many degrees, the best specimen of Fiction that has been placed in our hands. With much of the terseness and vigor of 'Adam Bede,' it has a refinement which we do not find in that very clever work, and a combined knowledge of the world and insight into character, which render the tale startlingly real and life-like. The piot unravels itself is a masterly manner, and there are delicious little bits of prose and poetry castlered through the pages which make our freath come quicker and our pulses who "We more than sincerely—we critically—recummend to each and all, the denirably constructed and grasefully written tale—AGAINST WIND AND TIDE."
We prefer this novel to any of the author's previous ones—it bears marks of more matured talent. The story is interesting, and the character well designed.
We have met with few things superior to the account of Margaret Hawthorne sitting on the fallen tree, in the dim twilight, praying to be delivered from evil and kept from tempistion, knowing that the man who had cruelly and dishonorably wronged ber thy an illegal marriage; had come back, and was, as as be oclived, stecking her pressuce; but not knowing that he had re-turned effect man, with a design of 'atoning for past wrong, and winning present happiness, by marrying her truly.

There is no strong coloring, very few epithets; the incidents are indicated and shadowed out rather than detailed—but they are true to the life, and death; the reader is touched with a pity deeper than words or tears can speak it." true to the life, and death; the reader is touched with a pity deeper than words or tears can speak it."

ALSO, AT THE SAME TIME,

LIFE BEFORE HIM.

A NEW AMERICAN NOVEL.

One vol. 12mo., 400 pages, neat cloth. Price \$1.

A story full of animation and spirit; fresh and sparkling in style and treatment. Its faithful delineations of the struggles of youth with poverty and low forture will awaken the interest and secure the sympathy of every reader.

From The Press, Philadelphia.

"Townsend & Co. will issue, in a few weeks, a new American Novel, said, by those who have seen the proofs, to poasess unusual ability, originality, and interest. The title—'Life Before tim'—is indicative of a pretty broad field on which to marshal the characters. The author's name is for the pressant withheld, the publishers thinking that if the public are sufficiently pleased to call the writer before the curtain after the play, the surprise will be more agreeable than if announced 'in the bills.'"
